Telephones - Mufassal - Bellary - Special Armed Police Unit - Direct connexion - Installation - Sanctioned.

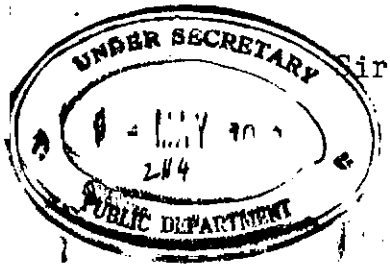
Rc.No.1271/48.E.1. Dated.2-5-1948.

From

K.N.Anantaraman,Esq.,I.C.S.,
District Magistrate,Bellary.

To

The Under Secretary to Government,
Public (Military) Department,
Fort St.George,Madras.



Sir,

Sub: Telephones - Bellary town - Special Armed Police Unit - Installation of telephone connection - proposals.

--

The Commandant, No. 3 Battalion, Special Armed Police Unit, Bellary has applied for the installation of a telephone in his office. The Sub Divisional Officer, Telephone Bellary, says that no ~~xxxxxxxx~~ extension can be given from the connection in the Junior Certified School owing to non availability of a ~~strict~~ and that a direct connection can be given if urgently needed. The Commandant wants a direct connection to be given to his office soon.

It is absolutely necessary to have a telephone installed in the Office of the Commandant to facilitate Communications with the unit in emergencies. Especially at this juncture, when the tension between the Hyderabad State and the Indian Union is causing anxiety, the absence of a telephone connection with this unit will be a great handicap for security measures. I therefore request that this proposal may kindly be included in the Post-war measures for 1948-49 and the installation of a telephone in the commandant's office sanctioned at an early date.
